CAMBRIDGE YLE & TLE PROGRAMS 2025

Recommended Ages: 6-17

Have Fun in the Sun with GV Hawaii's Academic Youth Programs!

GV Hawaii offers programs where young learners truly have fun while learning English.

Safety is a top priority for our youth programs especially during activities, where the activity leader to student ratio is kept low.

- ✓ Flexible start and end dates to fit your schedule (1 week minimum registration)
- ✓ Wide range of ages (6-17 years old)
- ✓ Fun activities to interact and use English in a natural setting
- ✓ Personalized student support, where everyone is treated like family!

English Lessons

Scheduled English lessons begin at 1:20 pm and end at 5:00 pm Monday through Friday, except holidays.

YLE Program : YLE Program curriculum consists of a fun and engaging learning environment where students perform interactive tasks and do a variety of textbook, video, and speaking activities related to daily themes. YLE students have the option to take a Cambridge Young Learners exam.

TLE Program curriculum focuses on students working interactively on an assortment of activities related to weekly themes. The goal is to communicate with others, and one way students do this is by completing a weekly group project with their peers. This curriculum is aligned with Cambridge A2Key and B1Preliminary tests.

Activities

Optional morning activities allow students to meet and interact with their classmates from all over the world. Students improve their English and learn about Hawaii's unique culture during the activities.

YLE Program Monday-Friday

TLE Program Monday-Saturday

These activities give students an opportunity to interact in English with their classmates and make friends in a different environment.

What is Cambridge?

– Cambridge is The English Examination Board of the University of Cambridge

Part of the University of Cambridge, Cambridge Assessment English creates English language learning materials and administers English language proficiency exams that are recognized around the world as an accurate measure of English ability. Exams focus on and appeal to learners in different age groups and of different levels or interests. Over 25,000 entities in 130 countries recognize these exams as proof of English language proficiency. Cambridge exam certificates do not expire.

Global Village Hawaii uses Cambridge-aligned materials to teach English in a communicative way. We work to increase students' English conversation skills and confidence by requiring them to talk and interact among their classmates. Because our curriculum is developed around Cambridge textbooks, students can also prepare to take Cambridge exams if they wish.

YLE Program

The Cambridge YLE Program is a mixed level course to develop effective English communication skills. The YLE Program has 3 learning levels: Starters, Movers, and Flyers. Students take a pre-test prior to arrival to determine their level. In addition to YLE classes, students can also sign up for pre-class activities to interact with their classmates in a fun and casual environment before classes. YLE students can improve their English and make new friends from around the world!

TLE Program

The Cambridge TLE program sets weekly themes such as "Having Fun", "How To Spend Money", "Food for Life" and "Family Ties" to work on throughout a week. Students work on a variety of activities related to the weekly theme, from textbook, listening and video exercises, to speaking exchanges with their classmates. Every Friday they carry out a project to show how well they can apply what they have learned during the week. Projects might include group presentations or creating and performing dialogues.
