Global Village Hawaii English Programs

GEP—General English Program

The GEP program is our most popular program. Our 8 levels are aligned to the Common European Framework and ensure that all students are placed in the most appropriate level which is challenging without being overwhelming. To provide the most support and guidance, Levels 1-3 are *Combined Skills* courses taught by a single teacher. Reading, writing, speaking, and listening are not separated as they are in levels 4-8, which consist of two distinct classes, *Language Use* (grammar structure & writing) and *Communication* (language functions, speaking and listening).

Cambridge FCE (B2 First) & CAE (C1 Advanced) Exam Preparation Programs

The Cambridge First Certificate and Advanced are British English proficiency exams that prepare students in all major areas of English fluency skills—speaking, writing, reading, listening and use of English. These programs are offered throughout the year on specific dates. Students can study part-time (20 lessons/week) or full-time (25 lessons/week) and pass the FCE and CAE program entrance tests to qualify for their course.

Options Program

This program focuses on topics of student interest and is held Monday through Friday, one lesson a day (5 lessons/week). Options topic classes vary from student interests such as Hawaii, Grammar or Pronunciation Booster, English for Tourism, and Test Preparation Programs (IELTS®, Pearson Test of English Academic, TOEIC®, and TOEFL®). This program can also be taken with other programs such as GEP depending on the student's type of visa.

English Pro Program

This program is designed for students who wish to enhance their English language study with personalized instruction in a specific topic of interest to them. This program offers students a customizable, comprehensive package that consists of General English classes (16 lessons/week) combined with 2, 4, or 6 tutorials (Private or Semi-Private Lessons) per week in a specific focus area, such as IELTS/TOEFL/TOEIC Test Preparation, Business English, Aviation English, Power Speaking, Tourism, etc. This program can be taken with or without a student visa.

English plus programs

Combine your English studies with one of our exciting activities such as ***surfing, hula, yoga, fitness and ukulele!*** You are sure to get the most out of your stay in Hawaii, both in and out of the classroom.

Cambridge Young Learners of English (YLE) Program

This program is for students of the recommended ages of 6 to 12 years old and runs during different weeks of the year. Students study English and may sign up for specially designed activities.

Cambridge Teen Learners of English (TLE) Program

This program is for students from 12 to 17 years old and runs during different weeks of the year. Students study English and may sign up for specially designed activities.

Parent & Child/Teen Program

This program is for families that wish to study together. The parent studies in the GEP (20 lessons per week) while their child studies in the Cambridge YLE or TLE Program and participates in the activities.

Private/Semi-Private Lessons Programs

These programs are designed for students who wish to enhance their English language study with personalized instruction in a specific topic of interest to them. These programs can be taken alone or added to another study program.

Global Village Hawaii Proficiency and Advancement Guide

Proficient User	C2 24 Weeks	8	Level C2, which has been termed Mastery, is characterized by a degree of precision, appropriateness, and ease with the language; it typifies the speech of those who have been highly successful learners. At this level, a speaker can convey finer shades of meaning precisely by using, with reasonable accuracy, a wide range of modification devices; has a good command of idiomatic expressions and colloquialisms with awareness of connotative level of meaning; backtrack and restructure around a difficulty so smoothly the interlocutor is hardly aware of it.
	C1 24 Weeks	7	Level C1, which has been termed Effective Operational Proficiency, is characterized by a broad range of language, which allows fluent, spontaneous communication, as illustrated by the following examples: Can express him/herself fluently and spontaneously, almost effortlessly. Has a good command of a broad lexical repertoire allowing gaps to be readily overcome with circumlocutions. There is little obvious searching for expressions or avoidance strategies; only a conceptually difficult subject can hinder a natural, smooth flow of language. The discourse skills appearing at B2+ are more evident at C1, with an emphasis on more fluency, for example: select a suitable phrase from a fluent repertoire of discourse functions to preface his remarks in order to get the floor, or to gain time and keep it whilst thinking; produce clear, smoothly flowing, well-structured speech, showing controlled use of organizational patterns, connectors and cohesive devices.
Independent User	B2+ 24 Weeks	6	B2+ represents a strong B2 performance. The focus on argument, effective social discourse and on language awareness which appears at B2 continues. However, the focus on argument and social discourse can also be interpreted as a new focus on discourse skills. This new degree of discourse competence shows itself in conversational management (co-operating strategies): give feedback on and follow up statements and inferences by other speakers and so help the development of the discussion; relate own contribution skillfully to those of other speakers. It is also apparent in relation to coherence/cohesion: use a variety of linking words efficiently to mark clearly the relationships between ideas; develop an argument systematically with appropriate highlighting of significant points, and relevant supporting detail.
	B2 20 Weeks	5	Level B2 reflects the Vantage Level specification and represents a break with the content so far. Firstly there is a focus on effective argument: account for and sustain his opinions in discussion by providing relevant explanations, arguments and comments; explain a viewpoint on a topical issue giving the advantages and disadvantages of various options; develop an argument giving reasons in support of or against a particular point of view; take an active part in informal discussion in familiar contexts, commenting, putting point of view clearly, evaluating alternative proposals and making and responding to hypotheses. Secondly, at this level one can hold your own in social discourse: e.g. understand in detail what is said to him/her in the standard spoken language even in a noisy environment; initiate discourse, take his/her turn when appropriate and end conversation when he/she needs to, though he/she may not always do this elegantly; interact with a degree of fluency and spontaneity that makes regular interaction with native speakers of the target language quite possible without imposing strain on either party. Finally, there is a new degree of language awareness: correct mistakes if they have led to misunderstandings; make a note of "favorite mistakes" and consciously monitor speech for it/them; generally correct slips and errors if he/she becomes conscious of them.
	B1+ 16 Weeks	4	B1+ is a strong B1 performance. The same two main features at B1 continue to be present, with the addition of a number of descriptors which focus on the exchange of quantities of information, for example: provide concrete information required in an interview/consultation (e.g. describe symptoms to a doctor) but does so with limited precision; explain why something is a problem; summarize and give his or her opinion about a short story, article, talk, discussion interview, or documentary and answer further questions of detail; carry out a prepared interview, checking and confirming information, though he/she may occasionally have to ask for repetition if the other person's response is rapid or extended; describe how to do something, giving detailed instructions; exchange accumulated factual information on familiar routine and non-routine matters within his field with some confidence.
	B1 12 Weeks	3	Level B1 reflects the Threshold Level specification and is perhaps most categorized by two features. The first feature is the ability to maintain interaction and get across what you want to, for example: generally follow the main points of extended discussion around him/her, provided speech is clearly articulated in standard dialect; express the main point he/she wants to make comprehensibly; keep going comprehensibly, even though pausing for grammatical and lexical planning and repair is very evident, especially in longer stretches of free production. The second feature is the ability to cope flexibly with problems in everyday life, for example cope with less routine situations on public transport; deal with most situations likely to arise when making travel arrangements through an agent or when actually travelling; enter unprepared into conversations on familiar topics.
Basic User	A2 12 Weeks	2	Level A2, the Waystage, has the majority of descriptors stating social functions like use simple everyday polite forms of greeting and address; greet people, ask how they are and react to news; handle very short social exchanges; ask and answer questions about what they do at work and in free time; make and respond to invitations; discuss what to do, where to go and make arrangements to meet; make and accept offers. Here too are to be found descriptors on getting out and about: make simple transactions in shops, post offices or banks; get simple information about travel; use public transport: buses, trains, and taxis, ask for basic information, ask and give directions, and buy tickets; ask for and provide everyday goods and services.
	A1 *12 Weeks	1	Level A1, the Breakthrough stage, is the lowest level of generative language use – the point at which the learner can interact in a simple way, ask and answer simple questions about themselves, where they live, people they know, and things they have, initiate and respond to simple statements in areas of immediate need or on very familiar topics, rather than relying purely on a very finite rehearsed, lexically organized repertoire of situation-specific phrases.

**This scale has been adapted from the Common European Framework for Reference to Languages (CEFR) developed by The Council of Europe and published by the Association of Language Testers of Europe (ALTE) in 2002 (ALTE adopts Common European Framework levels. ALTE News, Spring 2002, 1.) Number of terms to complete each level is approximate and based on the ALTE suggested approximate teaching hours for each CEFR level and Global Village Hawaii term hours and student past practice in proficiency exams. [Updated 9/26/2019 to reflect changes in the 2018 CEFR Companion Volume]*

Academic Evaluation

Prior to placement in courses, students are academically evaluated. Students are assessed from the day they arrive at school until they graduate. The following provides details of the Global Village Hawaii assessment schedule.

- **Placement Test:** All students take the Global Village Hawaii Placement Test on their Orientation Day. This test consists of three parts: oral interview, short essay, and objective written test. Taken as a whole, these tests determine the placement into one of the eight levels in GEP, and in special programs except Cambridge Test Preparation. The Cambridge Program administers its own Entrance test for the FCE and CAE Programs. If a student is unable to take a placement test, they will be evaluated by a staff or faculty member of GV Hawaii.
- **Competency Checks:** Students complete a Competency Check (CC) each week. These assess the competencies (specific language skills) that students have learned. CCs are performance based and scored by teachers on a 3-point rating scale- meeting (progressing), falling below (beginning), or exceeding a performance standard. Students are asked to create, produce, or do something, in settings that involve real-world application of knowledge and skills.
- **Competency Check Reports:** Students receive a Competency Check Report at the end of the month. This report is a record for students to keep of their achievement and ratings on each of the Competency Checks for a given month. The report also includes teacher comments to further guide students in their progress.
- **Level Advancement:** Students wishing to advance to the next level must take the Global Village Hawaii Proficiency Test. Students wishing to contest their results may meet with the Director of Academics.
- **Proficiency Tests:** This test is calibrated with the placement test, course competencies, and texts. Taking the Proficiency Test is not required unless a student has already been in their level for more than 100% of the time required for the level prescribed by the Global Village Hawaii Proficiency and Advancement Guide (p.7). Students may self-select to take the test if they meet one of the following requirements: 6 weeks of enrollment or 4 weeks of enrollment with 'exceeding' scores on their Competency Checks or approval from the Director of Academics.
- **Proficiency Reports:** All students who have been at Global Village Hawaii can purchase a Proficiency Report that details their English proficiency level as it relates to the Common European Framework for References to Languages, an international standard for language proficiency rating. Each report is \$15.00 and payment can be made at the front desk.
- **Global Village Certificates:** Completion of assessment (Competency Checks and/or practice tests) for each week and 80% cumulative attendance record is required to receive a '**Certificate of Completion**' from Global Village Hawaii upon exit. Students not present to complete their competency assessment each week will not receive a 'Certificate of Completion'. For more details, see policy on page 17.

Satisfactory Academic Progress Policy and Procedure

Global Village Hawaii students may enroll in either face-to-face classes or GV LIVE synchronous Interactive Distance Learning (IDL) classes. The Satisfactory Academic Progress Policy and Procedure is the same for all enrollments, whether students are enrolled in face-to-face or synchronous online IDL classes. Face-to-face testing is done in a classroom, while synchronous online IDL testing is done via Zoom; proctors are present in classrooms and on the Zoom platform. Details of the policy and procedure are below.

I. Student Evaluation: Placement and Progress Scoring

A. Placement:

- All students are formally evaluated prior to program admission.
- General English, English Pro, Academic Year, and Semester Gap (GE, EP, AY, SG, respectively) Programs' student placement is determined by the *Cambridge Placement & Evaluation Package Test A/B/C*. The student test scores, Global Village Hawaii (GVH) levels and other standardized proficiency tests are correlated in the *GV Level Guide* below.

GV LEVEL GUIDE							
CAMBRIDGE							
GVH Level	Placement Test Score	CEFR* Scale	General English	Academic IELTS	Business (BEC)	TOEIC	TOEFL (iBT)
1	.6 – 1.5	A1		1-2		100-249	
2	1.6 – 2.5	A2	A2 Key (KET)	3		250-399

Placement Test components and weighting:

Speaking – 60% This 5-minute interview is conducted by the teaching staff.

Writing – 20% This 15-minute free write is scored by the teaching staff using a common rubric.

Objective (Listening, Reading & Grammar) – 20% This section is multiple choice.

Weighting of the scores was determined by the Academic Staff when the test was first implemented in 2009 to correspond with the Communicative Teaching Methodology focus at Global Village Hawaii and the limited amount of prior training in speaking of most students.

- The Cambridge FCE and CAE Programs' placement is determined by a practice *Cambridge FCE* and *CAE Exam*.

Borderline Placement*	Minimum Automatic Placement	Rate of Improvement (ROI) weekly**	Final Minimum Passing Score
38-44%	45%	2%	60%

*Borderline students are advised to determine their commitment to do extra homework to meet the ROI and pass the exam.

**The ROI takes into account several weeks of initial review and practice testing the week before the exam, providing a margin of improvement to ensure success.

Grading is based as follows for FCE and CAE

- Reading/Use of English:**

- 2 points for parts 4, 5, 6 on the FCE

- 2 points for parts 4, 5, 6, 7 on the CAE

- 1 point for parts 1, 2, 3, 7 on the FCE and parts 1, 2, 3, 8 on the CAE

- Listening:** 1 point for all answers – minor spelling errors are allowed in part 2

- Listening:** 1 point for all answers – minor spelling errors are allowed in part 2

- **Writing:** The writing paper is a final determiner in the situation that the entrant scores a borderline score on the test.
4. The Teen Learners of English (TLE) Program’s student placement is determined by *The Cambridge Assessment English Test for Schools*.
 5. The Young Learners of English (YLE) Program’s student placement is determined by *The Cambridge Assessment English Test for Young Learners*.

B. Progress:

1. GE, EP, AY, and SG Programs’ student evaluation is determined by the **Cambridge Placement & Evaluation Package Test A/B/C (Proficiency Test)**, which is offered every week. Students may self-select to take this test and are advised to take it no more than every 6 weeks.
2. To ensure students are making satisfactory academic progress, GE, EP, AY, and SG Programs have 12 Progress Assessment Periods (12 weeks each) based on our 144 weeks of curriculum. Students are required to take the *Proficiency Test* no later than every 12 weeks from the date they begin studying at GVH.
3. Test Preparation Programs’ (Cambridge FCE and CAE) student evaluation is determined by a 2% Rate of Improvement per week over their practice *Cambridge Exam* placement test score.
4. TLE student evaluation is determined by the TLE teacher through classroom performance.
5. YLE student evaluation is determined by the YLE teacher through classroom performance.
6. All students who are completing their studies and have attended Global Village Hawaii for 8 weeks or more will be directed to take an Exit Test to determine their English language proficiency progress.

II. Length of Program

1. Student GE, EP, AY, and SG Program level length is determined by the *Global Village Hawaii Proficiency and Advancement Guide*, which lists the recommended amount of time needed to complete each level at GVH. GE, EP, AY, and SG Program students are allowed 150% of the recommended time to progress to the next level. The Cambridge Test Preparation Programs’ length is determined by total weeks. Students may repeat test preparation programs based on their self-identified scoring goals (see correlated Exam Scores on *GV Level Guide* above).

III. Evaluation Schedule

1. Students are required to complete an in-class *Competency Check* or *Practice Test* each week to evaluate and document their progress.
2. To ensure students are making satisfactory academic progress, GE, EP, AY, and SG Programs have 12 Progress Assessment Periods (12 weeks each) based on our 144 weeks of curriculum. Students are required to take the *Proficiency Test* no later than every 12 weeks from the date they begin studying at GVH. In the Cambridge FCE or CAE Program, formal program assessment is required to determine student progress no later than the mid-term of the student’s enrollment. Below is a summary of the mandatory assessment times for these programs:

- General English Program – no later than every 12 weeks from the date the student begins studying at GVH
 - Cambridge FCE – 4 weeks for the 8-week program; 5 weeks for the 10-week program
 - Cambridge CAE – 4 weeks for the 8-week program; 5 weeks for the 10-week program
3. Students are notified of their *Competency Check* or *Practice Test* scores by their teachers each week. They are informed of their *Proficiency Test* scores within a day of taking the test. Students are given a **Student Progress Report** document by their teachers after self-selected or mandatory proficiency testing and, upon request, at the conclusion of their level or program.

IV. Progression through the General English Proficiency Levels & Special Programs

Students at GVH must maintain the following measures of English learning progress in order to be considered in good standing.

1. To advance a level in the GE, EP, AY, and SG Programs students are required to take a *Proficiency Test* and achieve the required minimum score for the level which is .6 or greater (see *GV Level Guide, Placement Test Scores* above).
2. Students must show progress to continue enrollment at GVH and are required to take a *Proficiency Test* no later than every 12 weeks from the date the student begins studying at GVH for the GE, EP, AY, or SG Programs, or a mid-term test for the Cambridge FCE and CAE Programs.
3. In order to receive a Certificate of Completion, students must maintain a minimum 80% cumulative attendance and complete their weekly assessments (*Competency Checks* or *Practice Tests*).
4. Students who do not advance a level in the General English Program according to this policy after reaching 100% of the recommended time will be placed on a **Student Learning Plan (SLP)**. The SLP document is signed by the DOA and the student. The SLP documents the date of the 150% time allocation limit and the information is shared with the student's teachers. Students are not allowed to repeat a level. GVH students are allowed a maximum of 36 months of instruction.
5. Students in the Cambridge Test Preparation Programs are given practice tests weekly to demonstrate a minimum 2% Rate of Improvement (ROI) over their placement or first week scores. Mid-term formal evaluation occurs at 4 or 5 weeks (for the 8- or 10-week program, respectively) in the Cambridge Program. A formal examination occurs at the conclusion of the Cambridge Program. If a student does not show a 2% ROI weekly for 4 weeks, they will be advised by the Cambridge Exams Manager, the DOA, and/or their instructor. At mid-term, if the student continues to be below the recommended ROI, they will be advised and given additional study aids. Students may repeat the test preparation programs as long as they continue to demonstrate a 2% ROI. GVH students are allowed a maximum of 36 months of instruction.

V. Leave of Absence Policy

1. Global Village Hawaii students can request a leave of absence (LOA) in writing (e.g. complete the Leave of Absence Request Form) at least 5 working days prior to the start date of the LOA. If the student does not report back to school at the end of the LOA, he/she will be dismissed from school and the student's I-20 Form will be terminated based on the last day of attendance. (See Student Leave of Absence Policy; this policy also applies to vacations.)

VI. Attendance Policy

1. In order to receive a Certificate of Completion a student must complete their Competency Check (CC) assessment each week and must maintain a minimum cumulative attendance record for the entire period of study of at least 80%. After ten (10) consecutive days of unexcused absences the student will be dismissed from school. (See Attendance Policy for more details).

VII. Consequences of Failure to Meet Satisfactory Progress Standards

1. In the GE, EP, AY, and SG Programs, if the student does not complete the SLP by the documented date, they will no longer be enrolled per their agreement or may join another program they are qualified for.
2. In the Cambridge Programs, if the student does not complete and maintain the 2% ROI, they will be given the opportunity to join the General English Program or another program they are qualified for.
3. If dismissed, the student will receive a written dismissal notification 5 working days before the date of dismissal from the Management Committee of Global Village Hawaii.
4. The student may submit a written appeal within 5 working days from the date of dismissal to the Management Committee. Any accompanying documentation regarding extenuating circumstances must be submitted with the written appeal.
5. The Management Committee will respond in writing to the student no later than 10 working days from the receipt of the written appeal.
6. In the event that the Management Committee approves the student appeal, the student will receive a new Student Learning Plan.
7. The student will remain on active status and attend class during the appeal period.

Our mission is to provide a positive, supportive, and inspiring learning environment for English language students through our commitment to the highest standard of quality in the areas of academics, extra-curricular activities, accommodations and student services.

Global Village Hawaii offers a variety of adult (16 years and older) English language courses such as General English (8 levels), English Pro, and Cambridge Preparation. Other specialized courses include English + programs [e.g. English + Surfing, Hula]; Options Program [5 lessons per week, e.g. Grammar Booster, Conversation Club, English Through Movies, Writing Workshop, Conversation and Vocabulary]; private and semi-private lessons.

Global Village Hawaii also offers youth and junior English language programs such as the Cambridge Young Learners of English Program (YLE) and the Cambridge Teen Learners of English Program (TLE). Recommended ages for YLE students are from 6 to 12 years old while the TLE is recommended to students of the ages 12 to 17 years old. Private and semi-private lessons are also available for youth and junior students.

Students must comply with the Department of Homeland Security and U.S. Department of State regulations and meet the required skill level necessary for entry into a particular course or level. Students are assessed with placement tests or academic evaluations (for students who are not capable of taking the placement test) on the student's first day of school to determine the appropriate course and level. Please see the below admission requirements for each course.

Course Admission Requirements:

- The General English Program (GEP) offers 8 levels from Beginner to Advanced. Student class level is based on a placement test and/or academic evaluations.
- The Cambridge FCE & CAE Programs require a minimum score of 45% on the Entrance Test or successfully passing the next lowest Cambridge exam within two years to be considered an automatic placement.
- The Cambridge Young Learners of English Program and Cambridge Teen Learners of English Program do not require a minimum level of English.

Global Village Hawaii has open enrollment year round for all courses except for the Cambridge FCE & CAE, and Cambridge YLE & TLE Programs. Global Village Hawaii students are allowed a maximum of 36 months of instruction.

International students studying 18 or more hours per week (e.g. 25 lessons per week course) are required to obtain a student visa (F-1). Student visas are not required for students studying less than 18 hours per week (e.g. 16 or 20 lesson per week courses). Visa regulation information is available at the following websites.

- U.S. Department of State: <https://travel.state.gov/content/visas/en.html>

Students who are not present for their assessment and/or do not arrange with their teacher to make it up within 2 weeks will not receive a Certificate of Completion.

Attendance Policy

Global Village Hawaii teaches face-to-face classes as well as GV LIVE synchronous Interactive Distance Learning (IDL) classes. The Attendance Policy is the same for all students and classes, whether students are enrolled in face-to-face or synchronous online classes. Details of the requirements and policy are below.

As an English language training institution focused on student success, Global Village Hawaii expects students to attend school every day. When a student misses class, the student not only falls behind on new material, but also misses class exercises or pair work that are valuable in successfully completing their competency assessment.

In order to receive a **Certificate of Completion**, the student must do the following:

- 1. Complete competency assessment each week**
- 2. Maintain a minimum cumulative attendance record of at least 80% for the entire term of study**

Students who are not present for their weekly assessments must make up the work within 2 weeks or they will not receive a Certificate of Completion. Students are contacted by a staff member if their cumulative attendance drops below 85%, and by the Vice President (VP) if their cumulative attendance drops below 75%.

Students who are more than 15 minutes late to class will be marked absent for that session. Students who leave class more than 15 minutes before class dismissal will be considered to have departed early and will be marked absent for that session.

Student visa (F-1) students are required to study a minimum of 18 hours per week (21.6 lessons) to be in status with the Department of Homeland Security. **F-1 Students who show a pattern of non-attendance, less than 88% attendance record per week for 12 consecutive weeks, will be subject to withdrawal from enrollment and have their SEVIS record terminated.**

Attendance Probation

A student who does not have a minimum cumulative attendance of 80% on the first Monday of a month will be contacted and given a warning. If a student who has been given a warning does not bring their cumulative attendance to a minimum of 80% in four (4) weeks, the student will be placed on Attendance Probation for the next eight (8) weeks. The student must meet either in person or via Zoom with the Vice President or Director of Academics and abide by the terms outlined on the Attendance Probation Form. If the student's cumulative attendance is not 80% by the end of the probation period, the student will be dismissed from school and if applicable their SEVIS record will be terminated.

Consecutive Absences

After ten (10) consecutive days of absence, the student will be dismissed from school.

Leave of Absence

In the event that a student has to take a medical or family emergency leave of absence, they may seek a Leave of Absence (LOA) from the Vice President. Medical LOAs may consist of a serious illness or injury lasting 2 weeks or more. LOAs do not negatively impact a student's cumulative attendance percentage (see Student Leave of Absence Policy).

Attendance Recording and Advising Procedure

In order to implement the Global Village Hawaii Attendance Policy, the following procedures for recording and advising students will be followed.

Attendance records of all enrolled students are recorded on the class rosters and in the CLASS database. Teachers are responsible for recording the attendance of all students in their classes. Teachers are supplied with updated rosters each week.

- ✓ Students are informed of their cumulative attendance percentage at the beginning of each week by their teacher and are required to initial the class roster as verification that they have been informed.

Student Attendance Recording

Attendance is recorded by the teacher at the beginning of each class and is maintained electronically in the CLASS database.

The teacher uses the following codes to record attendance on the class roster and in the CLASS database:

- T Tardy - Teachers record attendance during the first 5 minutes of class. If the student is not present when the teacher takes attendance, the student is marked tardy.
- TA Tardy Absent – Students who arrive more than 15 minutes late to class are marked absent for that session.
- EA Early leave/Absent – Students who leave class more than 15 minutes before class dismissal will be marked absent for that session.
- A Absence – Students who are absent the entire class session.

Attendance is recorded weekly in the CLASS database as outlined in the CLASS Attendance Entry SOP.

Attendance Advising

Teachers are responsible for maintaining accurate attendance records daily in order to facilitate the attendance advising.

- **< 85% Cumulative Attendance:** If a student has a cumulative attendance below 85%, the student will be contacted by a staff member to review how their absences are jeopardizing their English proficiency progress. So long as the student's attendance continues to improve they will not need to be advised about this benchmark again.
- **< 75% Cumulative Attendance:** If a student has a cumulative attendance below 75%, the student will be contacted by the VP to review the impact of their absences on their status.
- **< 65% Cumulative Attendance:** If a student has a cumulative attendance below 65%, the student and the student's agent will be contacted by the VP. This notification will inform them that the student's enrollment at Global Village Hawaii is in jeopardy and the student needs to report to school immediately.
- **10 Consecutive Absences:** After ten (10) consecutive days of absence the student will be dismissed from school.
- **12 Consecutive Weeks less than 88% attendance per week:** Student visa (F-1) students are required to study a minimum of 18 hours per week (21.6 lessons) to be in status with the Department of Homeland Security. F-1 students who show a pattern of non-attendance, **less than 88% attendance record per week** for **12 consecutive weeks**, will be subject to withdrawal from enrollment and have their SEVIS record terminated.

Attendance Recording

Teachers maintain class rosters and submit them at the end of each week. The weekly attendance data is recorded in the CLASS database every week, are then archived by reporting periods.

Attendance Probation

A student who does not have a minimum cumulative attendance of 80% on the first Monday of the month will be given a verbal or written warning. If a student who has been given a warning does not bring their cumulative attendance to a minimum of 80% in four (4) weeks, the student will be placed on Attendance Probation for the next eight (8) weeks. The student must meet either in person or via Zoom with the Vice President or Director of Academics and abide by the terms outlined on the Attendance Probation Form. At the end of the eight (8) weeks, the student must have at least 80% cumulative attendance. Failure to do so will result in immediate dismissal from school and if applicable the student will have their SEVIS record terminated.

Leave of Absence

In the event that a student has a serious illness or injury lasting 2 weeks or more, they may seek a Leave of Absence (LOA) from the Vice President. LOAs do not negatively impact a student's cumulative attendance percentage (see Student Leave of Absence Policy).

Textbook Policy

- All **new students**, except for Cambridge students, will be able to use 'class set' textbooks in class and must return them at the end of class. If a student does not return their 'class set' textbooks, the student will be responsible to pay for a new set of textbooks.
- Students may purchase their own new textbooks if they wish to write in the books or take them home and study on their own.
- Students should carefully check the condition of the book immediately when purchased. If the textbook is damaged, even slightly, please speak with the front desk to ask for an exchange.
- Global Village Hawaii has reserved space on the bulletin board across from the activity board, for students who wish to sell their used textbooks. Please go to the front desk to fill out a "USED BOOK SELL CARD" and then it will be posted on the board. Students who are interested in buying the posted textbook will contact the seller directly.
- Cambridge students who change to another program during their first week of studies may request a refund for their Cambridge textbooks. If a textbook has any marks (even a name), creases, a broken spine, or dog-eared pages, the textbook cannot be exchanged.
- Returning Cambridge students that have the same edition of textbook(s) from their previous studies, may request a refund for the purchased new textbook(s).
- All book refund or exchange requests must be made within the first week of studies. No refunds or exchanges will be given beyond this period.

Other Academic Policies

Policy for changing levels

- New students are allowed to request to change levels or programs only during their first week. Continuing students may request program changes with the Director of Academics.
- Changes in levels and programs will be made on a space available basis only. Teacher recommendations, exam results, how the student's ability will impact other students in the program will be factors in the Director of Academics' decision whether or not to allow a student to change levels or programs.

Policy for changing classes (within the same level)

- Requests to change classes within the same level will not be permitted. There are various factors to consider in arranging classes, including balancing numbers of students and ratios of nationalities. Therefore, it is extremely important to minimize disruptions to normal classes that occur due to class changes.

Policy for signing up for special programs

- There must be a minimum of **6 students** to form the special program class unless otherwise authorized by the Management Committee.
- By signing up for a special program class, this indicates a commitment to the course for the duration of the month (or the extent of the student's enrollment in classes, whichever comes first.)

Student Leave of Absence Policy

Global Village (GV) Hawaii defines a leave of absence (LOA) as an authorized absence from one's study program. Students can request a leave of absence by completing and signing the Leave of Absence Request Form at least 5 working days prior to the start date of the leave of absence, unless unforeseen circumstances prevent the student from doing so. The students must specify a reason for the leave and date the LOA Request Form. Approval of the LOA will be documented by the Vice President's signature on the LOA Request Form and a copy of the form will be made available to the student. An electronic copy of the LOA Request Form will be filed away in the student's record in the CLASS database.

If the student does not report to school at the end of the LOA, Global Village Hawaii will check attendance records thereafter and if the student is absent for more than 10 consecutive class sessions, the student will be dismissed from school and if applicable, the student's I-20 Form will be terminated. The Global Village Hawaii Cancellation Policy will be applied based on the student's last day of attendance.

GV Hawaii has the below types of leave of absences.

1. Vacation LOA

- Students who are in good standing and have studied for 26 consecutive weeks will be allowed up to 8 weeks of LOA. LOAs are approved in weekly segments from Monday to Friday. Students in good standing are defined as students who are not on probation or have a Student Learning Plan (SLP). Students in long term programs such as the Academic Year Program and Semester GAP that have vacations or leaves of absences already built in the program, will not be eligible to take vacation LOAs except for emergency leaves of absence. Accrued LOA must be used within a year of being earned. GV Hawaii will not charge any additional fees as a result of the vacation and will offer the student to apply the tuition of their approved LOA in weekly segments as an extension to the student's original study period.

1. Example: Student A's original study period is from January 8, 2024 to November 1, 2024 [43 weeks]. Student A is in good standing and has been approved a vacation LOA of 6 weeks from July 22 to August 30, 2024. Student will be offered to apply the 6 weeks of tuition as an extension of their study period to end on December 13, 2024.

2. Medical Emergency LOA

- Students needing medical attention for illnesses or health conditions may request a LOA. An official doctor/health care provider documentation (e.g. summary of medical visit) is required in advance of the beginning date of the LOA unless unforeseen circumstances prevent the student from doing so. Failure to bring a doctor's note will result in marking the days missed from school as absent. A student will be allowed to take their LOA for the period specified by their doctor/health care provider as noted on the official doctor/health care provider documentation. If a student wishes to extend their medical emergency LOA, then the student will need to submit another LOA request in person or by other means (e.g. email) at least 2 business days before the original LOA ends unless unforeseen circumstances prevent the student from doing so. The student must also submit additional documentation from their doctor/health

care provider with the recommended extended LOA period and reason for the extension. GV Hawaii will not charge any additional fees as a result of the medical emergency LOA.

3. Family Emergency LOA

- Examples include but are not limited to death of a family member; severely ill or hospitalized family member; or other events determined applicable by GV Hawaii. Special exceptions can be made for non-family members depending on the type of relationship with the student. Documentation (e.g. medical documentation or obituary) of the family emergency is recommended to submit when making the LOA request in advance of the beginning date of the LOA unless unforeseen circumstances prevent the student from doing so. GV Hawaii will not charge any additional fees as a result of the family emergency LOA.

4. Military Service Emergency LOA

- Examples include but are not limited to official military orders (e.g. deployment) or other events determined applicable by GV Hawaii. Documentation (e.g. military order) of the military service emergency is required to submit when making the LOA request in advance of the beginning date of the LOA unless unforeseen circumstances prevent the student from doing so. GV Hawaii will not charge any additional fees as a result of the military service emergency LOA and will offer the student to apply the tuition of their approved LOA in weekly segments as an extension to the student's original study period.

Students will need to see the Vice President for approval of their requested leave of absence. Any approved leaves of absence may consist of multiple leaves of absence provided the total leave does not exceed five (5) months in a 12-month period. A LOA of more than 4 weeks may require retesting of the Proficiency Test upon return from the LOA.

The length of the leave of absence may be extended provided all the above conditions are met. To extend an LOA, a written request can be given to the Vice President for his/her signature and approval prior to the end of the current LOA unless unforeseen circumstances prevent the student from doing so. A copy of the form will be available to the student either before or upon his/her return to school.

Leaves of absences do not count towards the duration in a class level in terms of making student progress nor as part of the 36 months of maximum language training allowed at GV Hawaii.

English Only Policy

We want you to improve your English as much as possible while you are a student at our school. In order to give you opportunities to use English, we are an **ENGLISH ONLY** school. By using ENGLISH ONLY, you will make friends from your own country as well as other countries.

1. English should be spoken at school at all times. This includes cell phones and skype. If you want to use another language, please exit the school and speak in the hallway or downstairs. The only exceptions are the use of the student lounge phone or talking with staff members.
2. Students get ONE warning —this is a **yellow card**.
3. Anyone can fill out a yellow card—a teacher, another student, or a staff member.
4. The yellow card with the student’s name will be given to the Director of Academics.
5. Students will be counseled by the Director of Academics after receiving a second yellow card in a month.
6. If a student gets a third yellow card in a month, s/he will be dismissed from school for that day. They will be given a **red card** as a notice that they should leave school. The student will be counted **absent**.
7. If the student collects **THREE** red cards in a month, s/he will be asked to leave the school for the entire month.
8. All absences due to red cards will affect the student’s overall attendance record and poor attendance may result in termination from the program. This may cause student visa problems with U.S. Immigration. **Please see the Attendance Policy for more information**
9. Students, who show outstanding support for the English Only Policy by encouraging others to speak English or by speaking exclusively English outside of school, will be given a **green card**. This card can be given by any member of faculty or staff. The Academic Staff or Faculty member will congratulate the student during class time in recognition of supporting the policy.

Global Village Hawaii would like all students to enjoy their studies and get the most out of them. The ENGLISH ONLY policy is to help students take their studies seriously. Students need to be respectful to each other and use English at all times while in school.

Dispute Resolution Policy

In accordance with the school's mission statement, Global Village Hawaii strives for all students to be happy and satisfied in the areas of academics, extra-curricular activities, accommodations and student services. However, we understand that some students may not feel that their expectations are being met and we encourage them to share their concerns with the appropriate faculty or staff member through the following channels.

The Cancellation & Refund Policies are the same for all enrollments, whether students are enrolled in face-to-face or synchronous online classes. Details of the policies are below.

GENERAL REFUND POLICY

- 1) In this policy, the word “program” refers to the full cycle of studies to which the student registered. Extensions of studies will be treated separately.
- 2) To be considered for a refund, a student or agent can submit a completed Cancellation Form or notify the school of the cancellation by some other means.
- 3) For any study program changes resulting in a decrease in the number of English lessons per week (e.g. 20 lessons/week to 16 lessons/week) after enrollment has begun, there will be a one-time study program change fee of \$115.
- 4) For specialized Activity Programs [e.g. Study tours, English Plus, etc.], there are no refunds for homestays, activities, airport transfers, or excursions, but only for tuition that is offered as per the normal Cancellation/Withdrawal policy [see below].

Cultural Adjustments to Life in Hawaii & the Homestay Experience

Homestay is an affordable and safe accommodation option for students. It is also one of the best ways to really get to know Hawaii and what living here is like. The homestay experience can be a wonderful, enriching cultural exchange between the student and family.

Below are some of the things that students may expect in the homestay experience. For more details, please refer to the **Homestay Terms & Conditions Form** (<https://www.gvhawaii.com/filedownload/>).

- **Hawaii is extremely multi-cultural.** Many of our homestay families come from various ethnic backgrounds and a number of the families have mixed ethnic backgrounds. It is difficult to say what a “typical” family in Hawaii is like.
- **It is customary to take your shoes off when you enter a home.** Hawaii is famous for its red dirt that is difficult to clean. Check with your host family if you need to leave your shoes at the door.
- **Americans usually expect to be contacted if plans change.** If you cannot make it home for dinner or will be late coming home, please contact your host family.
- **Hawaii often experiences traffic jams.** The average commute time from Homestay to school is about 60 minutes by bus and sometimes longer during peak traffic hours. For more information about bus schedules and routes, go to: <http://www.thebus.org/> or you can download “*The DaBus*” app to your smartphone. Adult calendar monthly bus passes will be \$80 and a single fare is \$3. Holo cards are prepaid card can be purchased at Foodland, ABC Stores, Times Supermarket, and 7-Eleven convenience stores.

The DaBus app takes the guess work out of catching the bus on the island of Oahu. It uses the near real-time arrival information to provide the best estimated time on when the next bus will arrive. This app also tracks the current location of buses. In addition, it also provides options to explore different bus routes and take a virtual ride to better understand the route. Another similar app that students use is called, ‘Transit’. Best of all, both apps are absolutely FREE!

- **Another way to commute is by bicycle.** Bicycles can be purchased at Walmart from \$150 or rented through Biki, a bike riding program in urban Honolulu. For more information on this bike riding program (e.g. bike stations and fares), please visit: <https://gobiki.org/>
- **Hawaii’s wonderful tropical climate is also perfect for insects.** It is common to find insects in homes in Hawaii. If you see insects such as roaches or ants do not be alarmed, just let your host family know.

Roach

Ant

Mosquito

- **Geckos** are small lizards that can often be found in homes. If you see one in your home, do not be alarmed as most homes have geckos. Geckos actually eat insects so they keep homes insect free.
- **Families in Hawaii can be generally conservative.** It is not common for unmarried couples to share a bedroom in a family's home. Global Village Hawaii does not place unmarried couples in the same host family. We also ask that students do not have overnight guests in their host family's home.
- **Americans call before visiting someone.** It is not an American custom to go to someone's home without being invited or calling before you visit. If you are in a host family, please call your host family before you have a guest visit the home to make sure it is OK. The area code for Hawaii is (808). Phone calls with a US phone number require 10-digit dialing starting with the 3-digit area code followed by the seven-digit phone number. The emergency number for all health, safety and crime emergencies is 911. Dial 411 for an operator to aid with locating a number. Dialing "0" will also get you an operator for general assistance.
- **Often multiple generations live in one home.** Hawaii is a small island with not a lot of space. It is common for two or three generations to live in one house or in homes with large main house and a small attached house called an "Ohana." Your host family may have cousins, aunties, or other relatives living with them as well.
- **It is often cold inside buildings in Hawaii.** You may find that school, the bus, and other places are colder than you are used to because the air-conditioning is set low. You will want to include a light jacket or sweatshirt when packing for Hawaii.
- **Hawaii has a limited water supply.** Conserving water is very important so most families ask that students take showers or baths only once a day and to limit the time to no more than 10 minutes. Laundry should also be done only once a week.
- **Families in Hawaii often eat rice for most meals.** Hawaii has a strong Asian influence and it is common for rice to be available for breakfast, lunch, and dinner. You should speak with your host family about the foods that you prefer to eat.
- **Breakfast and lunch are usually self-serve.** Most people in Hawaii eat the following three meals each day:

Breakfast: This meal is normally served between 7:00 a.m. and 8:30 a.m. For many families, breakfast is quick and casual. Coffee, cereal, toast, pastries are often served. Students usually prepare their own breakfasts.

Lunch: Many people in Hawaii have lunch between 11:00 and 2:00 p.m. Lunch might consist of sandwiches, *leftovers*, plate lunch, or a variety of other foods. Students usually prepare their own lunches.

Dinner: This is usually the largest and most formal meal of the day. In Hawaii, dinner is often between 5:30 p.m. and 7:00 p.m. Students are often asked to help set and clear the table.

F-1 VISA INFORMATION

Overview of Department of Homeland Security Regulations

To maintain legal F-1 student status at Global Village Hawaii, you are required to:

- Maintain full-time enrollment (at least 18 hours per week) and have good attendance.
- If for some medical or emergency reason you are unable to study full-time, you must contact the Vice President immediately.
- Conform to regulations for travel outside of the U.S. and keep your passport valid for six months beyond your last date of study.
- No employment is allowed without written permission from the Department of Homeland Security and the school.
- Notify the Vice President before you leave the U.S. or transfer to another U.S. school within sixty days after the completion of your program.

Health Insurance

All international F-1 students are strongly encouraged to have a health insurance policy for the duration of their studies. This is for your protection because medical care in the U.S. is very expensive. Below are two companies that offer health care plans for international students studying in the United States. You should research various health care plans to determine which company and plan are most suitable for your needs.

Temporary Travel outside the U.S.

If you plan to travel outside of the U.S., you must meet with the Vice President before you plan to leave. He will review your airplane ticket or travel itinerary, enrollment, I-20 and passport to make sure that you will be allowed to re-enter the U.S. He will then sign page 2 of your I-20 form.

If your visa has expired or you were only granted one entry on your visa, you will need to renew it in order to re-enter the U.S. You cannot renew your visa in the U.S. It must be renewed at an American Consulate outside the U.S., preferably in your home country.

Travel signatures are only issued to current, full-time students. Please note that once you have completed your courses, you will not be eligible to receive a travel signature. All traveling should be done prior to completion of study.

Preparing to Leave the U.S.

The Department of Homeland Security requires you to leave the U.S. within 60 days of your program completion date. You may use this time for travel within the U.S., but you must leave the U.S. within the 60-day period.

Some common immigration terms:

Department of Homeland Security

The U.S. Department of Homeland Security is responsible for administering and enforcing the regulations related to immigration and non-immigration policies.

I-20

The Certificate of Eligibility for Non-Immigrant (F-1) Student Status. This document is evidence of your admission to the school which issued the I-20. It is issued so that you can apply for an F-1 visa at a U.S. embassy or consulate. Your I-20 is proof of your status and should be kept with your passport.

F-1 Visa

A Non-Immigrant Student visa. This is an entry visa issued to "bona fide students qualified to pursue a full course of study" at an academic or language institution authorized to admit international students. The visa is issued at a U.S. embassy or consulate. It indicates the date of issue and date of expiration. If you have not yet completed your program and the visa has already expired, you do not have to renew it until you leave the U.S. and plan to return. F-1 visas are not renewed within the U.S.

B1/B2 Visa

The visitor's visa for business (B1) or pleasure (B2). This visa does not allow you to attend school on a full-time basis.

I-94 Card

The arrival/departure document in your passport, commonly known as the "white card" given by

Customs and Border Patrol has been discontinued at airports. If you need information from your Form I-94 admission record to verify immigration status or employment authorization, the record number and other admission information, please visit this website: <http://www.cbp.gov/travel/international-visitors/i-94-instructions>

D/S

Frequently Asked Questions (FAQ's)

Academic Questions

My class is too easy or too difficult. What should I do?

Sometimes the first day of a class seems too easy because everyone is getting to know each other on the first day. Sometimes the first day seems difficult because everything is new and this can cause you to feel stress. If you feel that you have been placed in the wrong level, speak with your teacher first. If he/she agrees then your teacher can refer you to the Director of Academics. If your teacher thinks you are in the right level but you are still unhappy with your class, please speak with the Director of Academics. The Director of Academics will review your test scores with you and may

interview you again. The Director of Academics will let you know if you can change levels or not and the reason why.

I feel that my English is not improving. What can I do?

Please remember that the only way to improve is by practicing. The decision to speak English must begin with you. We have a strict English Only policy so that you will have plenty of opportunities to use your English in class, on breaks, and on activities. You can also ask your teacher for extra homework or help you with homework that you may not understand how to do.

I would like information about other programs. Who should I speak with?

If you are interested in learning more about any of our programs, please see the Director of Academics. They will be able to tell you if your level is suitable for the program you are interested in, if there is space in the program and if changing programs will help you achieve your language goals better than the current program you are in.

Can I go to the next level?

Because each level consists of a different amount of weeks, the suggested amount of time for successful level completion varies. Please refer to page 8 in the Student Handbook or see the Director of Academics for more details.

I want to study in the Cambridge Prep course, can I?

The Cambridge Prep courses have their own entrance exams with separate passing requirements. We can never guarantee you a seat in any of these courses before you arrive in Hawaii and take the appropriate placement exams. After you take the placement exam we will advise you on the most suitable course offered at Global Village Hawaii for your individual goals and English proficiency level.

own food that they want to eat for breakfast and lunch. Dinner is usually prepared by the host family. If you have any questions or concerns about the food your host family serves, please see the Accommodations Department.

Will my host family take me back to the airport when I leave?

Not necessarily so please check with the Accommodations Department for confirmation. Do I really need medical insurance while I'm here?

We strongly encourage all students to carry medical insurance while they are in Hawaii. Medical treatment in the United States is extremely expensive. There are brochures next to the comment box across from room #11 that you can look at for more information. If you need assistance obtaining insurance, then please refer to page 32 or see the Vice President.

Emergency Evacuation Procedure

Evacuation Instructions:

1. Do not panic and follow your teacher's instructions to leave the building immediately.
2. If you are on break and there is an evacuation, go directly to the safe meeting area and find your classmates and teacher. Do not go to your classroom.
3. Do not cross Kapiolani Blvd. when heading to the safe meeting place.
4. Return to your classroom when your teacher says so.

***Please see your teacher for more details.**

Responses & Procedures to Emergencies

Evacuation routes and evacuation assembly areas may change depending on the nature and location of the emergency. Follow instructions of the school officials or building management when in doubt.

Fire Procedure

- Remain calm
- Only attempt to use a fire extinguisher if you have been formally trained
- Remove anyone from immediate danger
- Notify school officials or call 911 from a safe location
- Close all doors to confine smoke and fire
- Unless otherwise directed, evacuate the building following the Emergency Evacuation Procedure [see page 39], and proceed to your designated evacuation areas
- Instructors/Staff will confirm all students are accounted for at the safe meeting area
- The Emergency Team will be last one to leave after checking for people in restrooms, etc.
- Do not delay evacuation for retrieving personal belongings
- Consider persons with disabilities who may need assistance evacuating
- Walk, but do not run. Do NOT use elevators
- Feel exit doors for heat, stay low and close to wall while evacuating
- If smoke is present, stay low. The best quality of air is near the floor
- Never allow the fire to come between you and an exit
- Try to account for everyone when you reach the evacuation assembly area
- Notify school officials or Fire Department personnel if anyone is missing or injured
- Everyone should remain at the evacuation assembly area until directed otherwise by school officials or the Fire Department

IF YOU ARE TRAPPED IN A ROOM/AREA

- Wedge towels or cloth along the bottom of the door to keep out smoke
- Close as many doors as possible between you and the fire
- Use the telephone to notify school officials or 911 of your problem and location
- If you are trapped in an area and need fresh air, only break the window as a last resort, and use caution when breaking the window

Lockdown/Active Shooter Procedure

Lockdown is a protective action employed to safeguard students and staff when there is an armed perpetrator approaching the campus or in a campus building. Lockdown is used to keep people away from a violent perpetrator while law enforcement engages the subject. Lockdown procedures may be initiated in situations involving dangerous intruders or other incidents that may result in harm to persons inside the campus building.

Alert Signal: School officials or building management will issue a lock-down order to all students, faculty and staff.

“Run,” “Hide,” and “Fight” are the actions that both the Federal Bureau of Investigation and U.S. Department of Homeland Security recommend in an active shooter situation. Each action is explained in further detail below:

Run

- If possible, attempt to evacuate the premises.

Hide

- If evacuation is not possible, find a place to hide where the active shooter is less likely to find you.

If the active shooter is nearby:

- Lock the door
- Silence your cell phone
- Turn off any source of noise (radios, televisions)

- Hide behind large items (cabinets, desks)
- Remain quiet
- If evacuation and hiding are not possible, remain calm
- Dial 911, if possible, to alert police to the active shooter's location
 - If you cannot speak, leave the line open and allow the dispatcher to listen

Fight

- As a last resort, attempt to disrupt and/or incapacitate the active shooter.

Power Outage or Utility Failure Procedure

If the power goes out or even for a partial outage:

- Remain calm
- School officials or building management will attempt to assess the situation and expected duration of the outage
- School officials or building management will provide response directions to you once they complete their assessment
- Remain in your area/room and do not move around the building unnecessarily
- If you are in a dark area, proceed cautiously to an area that has emergency lights
- Emergency lighting should come on automatically. If emergency lights do not come on in your area, notify school officials or building management
- If instructed to evacuate, proceed cautiously to your designated evaluate assembly area as noted on page 39.

Medical Emergency Procedures

- Notify school officials or building management to report the medical emergency. Provide the following information:
 - Nature of the incident, illness or injury
 - Location and number of victim(s)
 - Hazards in the area (e.g., electrical shock, hazardous vapor, etc.)
 - Whether ambulance is needed
- If the illness or injury appears life threatening, you should call 911 directly and then notify school officials or building management
- Keep all non-essential personnel away from the scene
- Do not attempt to move the victim(s) unless they are in immediate danger
- Do not attempt to treat victim(s) if you are not formally trained and/or certified (i.e., first aid, CPR, AED)
- Keep the victim(s) calm and reassure them that help is on the way
- Take "universal precautions" to prevent contact with bodily fluids
- "Universal precautions" is a method of infection control in which all human blood and certain body fluids are treated as if known to be infectious for HIV, HBV, and other blood-borne pathogens. Exposure occurs through contact with mucous membranes (e.g., eyes, nose, and mouth) or broken (cut or abraded) skin with contaminated blood.
- If you are providing medical treatment, use proper personal protective equipment (i.e., non-latex gloves, face shield barriers, and barriers for mouth-to-mouth resuscitation)
- Preserve the scene of the medical emergency in the even the incident will require an investigation by school officials, building management or police
- Do not clean up any bodily fluids, unless trained and properly equipped

Shelter-in-Place Procedure

Shelter-in-place is a temporary strategy designed to be used when it is safer to remain inside the building rather than evacuate to the outside. For example, this can be required if a chemical is released outside.

Hurricane Procedure

- Have enough non-perishable food and water for at least seven days. Keep some cash on hand, as banks and ATMs may not be open or available for extended periods. Have flashlights and a battery-powered radio with extra batteries handy should power go out.
 - For more information on a disaster supply kit, visit: <http://dod.hawaii.gov/hiema/files/2018/07/2WeeksReadyBrochure.pdf>
- Outdoor activities especially water related activities such as surfing, swimming and snorkeling are strongly discouraged.
- Stay away from floodwaters. If coming upon a flowing stream where water is above one's ankles, stop, turn around and go another way. Six inches of swiftly moving water can sweep a person off their feet.
- Listen to updates/instructions of any storms from local news/radio stations or online at <https://www.nhc.noaa.gov/>.
- When advised, or if threatened by conditions in your area, evacuate to sturdy buildings or to the nearest public evacuation locations.

Earthquake Procedure

If you are indoors:

- Do not run outside immediately
- Get under a desk, table or supported doorway
- Stay away from glass windows and mirrors
- Watch for falling plaster, bricks, light fixtures, and other objects
- Watch for high bookcases, cabinets, shelves, and other furniture or heavy equipment that might slide or topple
- Do not use candles, matches, or other open flames during the tremor
- Extinguish all fires if you are trained to use a fire extinguisher
- Do not rush for stairways
- Exits are likely to be jammed
- Do not be surprised if the electricity goes out, if fire alarms start ringing, or fire sprinkler systems go on. Expect to hear noise from breaking glass, cracks in wall, and falling objects
- Avoid electrical lines, as they may be live
- Remain under cover for a few minutes and prepare for the possibility of aftershocks. Aftershocks often cause more damage to buildings, which are already weakened by the initial shock

If you are outdoors:

- Do not run inside immediately
- Stay in the open
- Beware of fires, downed utility lines, and aftershocks
- Assist with evacuation of building

Criminal Behavior Response

- Be alert to what is going on around you
- Do not approach or attempt to apprehend the person(s) involved
- Notify school officials, building management or 911 immediately if you witness a crime in progress or observe a suspicious person or activity.

Hazardous Material Spill Procedure

Inside spills:

- Attempt to provide ventilation to the affected area by opening the windows
- Turn on local or building exhaust ventilation if available and safe to do so
- If possible, control access to the affected area by closing doors
- If hazardous materials come in contact with your skin, immediately flush the affected area with clear water for at least 15 minutes
- If the threat warrants, implement evacuation procedures to ensure that no one is exposed to danger

- Direct everyone to evacuate immediately, in a calm and orderly manner, to the designated evacuation assembly area for the building
- Do not try to clean up the spill unless you are familiar with the hazardous material and are trained and have the proper equipment to perform the clean up

Outside Spills:

- Close all exterior windows and doors
- Shut down room ventilation systems if possible
- Shelter-in-place inside the building and remain there until directed by school officials, building management or the Fire Department

Suspicious Package Procedure

- Do not touch or handle any suspicious items
- Isolate the suspicious item
- Notify school officials or building management that a suspicious package has been detected
- Alert everyone in the area that a suspicious letter or package has been found and to clear the area
- Close the door to prevent others from entering
- If the suspicious item is believed to be a bomb, evacuate the building, and follow procedures for bomb threats
- Write down any reasons for identifying the package as suspicious (e.g., excessive postage; no return address; rigid envelope; feel, etc.)
- Contact the addressee to determine if package was expected
- Any person who had direct contact with the package should wash their exposed skin with soap and water and seek medical advice

Threatening Telephone Calls Response

- Remain calm
- Do not hang up. Keep the caller on the line if possible and listen carefully
- Signal someone to call school officials or building management
- Note the time of the call and try to get caller's number if you have caller ID
- Write down any pertinent information such as background noises, gender of caller, and voice pitches and patterns
- When caller hangs up, DO NOT HANG UP. Dial *57 to trace call (this may not work on all phone systems). Leave the line open
- Make sure school officials, building management or 911 has been notified

- Leave the e-mail message open on the computer and do not erase it
- Notify school officials, building management or 911 immediately

- Write down the threat exactly as it was communicated to you
- Notify school officials, building management or 911 immediately

Bomb Threat Evacuation Procedure

- Direct everyone to gather personal belongings
- Direct everyone not to use cellular phones and pagers
- Visually sweep room for suspicious items
- Leave door and windows open

- Do not touch the light switch
- Proceed to the designated evacuation assembly area and follow further instructions from school officials, building management or police

Suicide Attempt Response

- Notify school officials or 911 immediately of any suicide attempt. Provide person's name if known
- DO NOT LEAVE THE INDIVIDUAL ALONE
- Try to calm the suicidal person
- Try to remove the individual from any immediate means of hurting himself/herself
- Take "Universal Precautions" to prevent contact with bodily fluids. Universal Precautions is a method of infection control in which all human blood and certain body fluids are treated as if known to be infectious for HIV, HBV, and other blood-borne pathogens. Exposure occurs through contact with mucous membranes (e.g., eyes, nose, and mouth) or broken (cut or abraded) skin with contaminated blood
- If you are providing medical treatment, use proper personal protective equipment (i.e., non-latex gloves, face shield barriers, and barriers for mouth-to-mouth resuscitation)
- Stay with suicidal person until school officials or other help arrives
- Clear the area to allow emergency personnel to work and provide privacy for the victim
- Keep everyone away from the scene
- Remain with the situation as directed by school officials or local authorities, working to defuse the crisis by remaining calm
- Reassure everyone involved that everything possible is being done to return the situation to normal
- Do not release any information beyond school officials or suicide intervention personnel

Explosion Procedure

Report any of the following to school officials or 911:

- Is there structural damage?
- Any injuries?

- Keep away from windows
- If your room is safe, await instructions from school officials or the Fire Department

Health and Safety in Hawaii

Although Hawaii is much safer than most cities its size in the United States, you have to be careful and never trust strangers. Here are some basic health and safety guidelines.

1. **Water can be drunk straight from the faucet** though if you prefer bottled water, it can be purchased from the vending machine in the Student Lounge or in nearby stores.
2. Given that chemically sensitive people may react to different scented products with wide varying degrees of severity, **GV Hawaii strives to maintain scent-free offices, classrooms and spaces.**
3. If any warning signs are posted at beaches, observe the off shore conditions or check with the lifeguard before getting in the water.
4. Always use sunblock/sunscreen to protect your skin when you are outdoors in the sun. The sun's ultraviolet rays can be harmful.
5. **Be careful and aware of your surroundings especially when walking alone on Kuhio Avenue or in Chinatown late at night.** Generally, it is a good idea not to walk alone after 10:00 pm anywhere in the United States. Take a taxi or go with a friend or two.
6. **If you think you are being followed, do not go home.** Go to a public place and call the police.
7. **Always lock your doors** when you are home and do not open the door to someone you do not know.
8. **Do not trust strangers.** Female students should be very careful when you are approached by local guys; some of them know you are visitors and will try to take advantage of you.
9. **Practice good hygiene.** Wash your hands and cover your mouth with a tissue or your shirtsleeve when sneezing or coughing.
10. **Do not give strangers your personal or financial information such as where you live, telephone number, or bank account number.** If they want to talk to you, ask for their telephone number and you can call them.
11. If you have a car or rent a car, **do not leave your camera, wallet, or other valuables in the car.** Car theft and break-ins are very common in Hawaii. Car thieves are professionals and they target tourists, so be careful.
12. **Do not carry large amounts of cash on you.** It's recommended to never carry more than \$50 in cash unless you plan to spend it soon.
13. **The emergency contact number in the US is 911**—you do not need to use coins if you are calling 911 from a pay phone. Just dial 911. You can use 911 for fire, police, and ambulance.
14. **NEVER GIVE ANYONE MONEY!** If you give someone money it is best not to expect it back—think of it as a gift.
15. **Say "No.":** If someone wants to have sex with you and you do not want to have sex with them (even if it is your boyfriend/girlfriend) **just say "NO"** to this person. If you say "no" and you decide to report the incident to the police, then the police can charge this person with rape. **If you do not say "NO", the police cannot do anything.**

US/Hawaii Laws

1. The drinking age in the United States is 21. You will need to show your passport or other official valid ID to purchase alcohol at stores, restaurants, and bars. Even if you look over 21 you may have to show your ID.

2. It is illegal to drink alcohol in public places such as streets, beaches, etc.

3. It is illegal for any passenger or driver to have an open container of alcohol in the car.

4. Smoking is not allowed within 20 feet [7 meters] of restaurants, public buildings, or bars in Hawaii. At Global Village Hawaii, students can smoke outside in the front of the building by the stairs or ramp. E-cigarettes cannot be used at Global Village Hawaii and must be used outside in the above smoking areas.

No smoking is allowed at any city beach; park or bus stop. There will be signs posted to educate residents and visitors about the new bans, which will carry a fine of \$100 for the first offense and up to \$500 for each additional offense.

5. When driving a car, all passengers have to wear a seatbelt. In Hawaii, children 4 years old and younger are required to use child car seats. No use of electronic devices, including smartphones for texting or messaging while driving.

6. Shoplifting is a crime. Taking items from a shop without paying for them is considered a serious offense and may result in jail and heavy fines.

7. It is illegal to ride bicycles, skateboards, rollerblades, etc. on the sidewalks in Waikiki and downtown. Please observe the school's building "No Parking" signs for bicycles or mopeds. Mopeds or bicycles that are parked in the "No Parking" area will be towed. Do not park bicycles/mopeds around mailboxes/traffic signs.

8. In Hawaii there are no helmet laws. Therefore, it is legal to ride a motorcycle, bicycle or motor scooter without a helmet. Bicycles must have a current license with the State Department of Transportation or else the bicycle may be towed and confiscated.

9. It is legal in Hawaii to make right turns at red traffic lights after you stop and determine that it is safe to make the turn. Some traffic signals have signs posted that you cannot make a right turn on red so it is important to check for signs before turning right on red.

10. Pedestrians should use the crosswalk at all times when crossing the street. If you don't, you may have to pay a fee if caught by the police. It is illegal to cross a street or highway while viewing a mobile electronic device. It will still be legal to talk on your phone while crossing a street, or to look at your phone on the sidewalk. The first violation can earn a walker a fine between \$15 to \$35. Additional violations then raise to \$75 to \$99.

11. It is illegal to purchase, possess or sell any form of narcotic (drug) including marijuana.

The Cancellation & Refund Policies are the same for all enrollments, whether students are enrolled in face-to-face or synchronous online classes. Details of the policies are below.

GENERAL REFUND POLICY

- 1) In this policy, the word “program” refers to the full cycle of studies to which the student registered. Extensions of studies will be treated separately.
- 2) To be considered for a refund, a student or agent can submit a completed Cancellation Form or notify the school of the cancellation by some other means.
- 3) For any study program changes resulting in a decrease in the number of English lessons per week (e.g. 20 lessons/week to 16 lessons/week) after enrollment has begun, there will be a one-time study program change fee of \$115.
- 4) For specialized Activity Programs [e.g. Study tours, English Plus, etc.], there are no refunds for homestays, activities, airport transfers, or excursions, but only for tuition that is offered as per the normal Cancellation/Withdrawal policy [see below].
- 5) There are no refunds or make-up classes for classes missed due to holidays, graduation, orientation, natural disasters and/or other situations beyond the school’s control.
- 6) If Global Village Hawaii cancels a program that a student registered for, and proficiently placed into, Global Village Hawaii will refund all monies paid by the student. If you came through an agency, Global Village Hawaii will check with your agency for any other fees that they may assess.
- 7) If a student is dismissed from school for violating school policies, Global Village Hawaii will refund the student per the normal Cancellation/Withdrawal policy [see below].
- 8) It is understood that students who register through travel agents have signed contracts with these agents that may include cancellation penalties, no-refund policies, or home country refunds only conditions. In all cases regarding agent-sent students, Global Village Hawaii will confirm the conditions of agent-student contracts with travel agents before issuing any refunds.
- 9) Textbook fees will not be refunded once the books have been issued to the student. If a student has the same edition of textbook(s) from previous studies, the student may request a refund for the new textbook(s). The request must be made within the first week of studies. No refunds will be given beyond this period.
- 10) Cancellation/Withdrawal of Enrollment before the student’s program start date or never attended class (no show):
 - 10.a Global Village Hawaii will refund all monies paid less the non-refundable fees: registration fee, accommodation placement fees, any actual housing costs incurred (including deposits) by Global Village Hawaii, express mail fees, and SEVIS related fees. However, if a student cancels within 72 hours of submitting the registration, Global Village Hawaii will refund ALL monies paid less non-refundable accommodation deposits, express mail fees and SEVIS related fees, if applicable. An amount not to exceed \$500 in identified non-refundable charges, may be charged in the event of a student’s cancellation. All refunds will be made within 45 calendar days of the first scheduled day of class or the date of cancellation, whichever is earlier.
 - 10.b Students Denied Visa/Entry: A student denied a student visa or entry into the United States will be given a full refund of all monies paid less non-refundable accommodation deposits, any actual housing costs incurred by Global Village Hawaii, express mail fees and SEVIS related fees, if applicable. Global Village Hawaii will calculate the student’s refund (if applicable) based on the last day of

attendance in either face-to-face or IDL classes. Any money to be refunded will be mailed to the students' home address or to their travel agent.

11.a No refunds will be given for the first 4 weeks of the student's study program.

For students who withdraw after the midpoint, Global Village Hawaii may retain all of the charges for the student's study program.

11.c Prorated refunds will be calculated on a weekly basis. When determining the number of weeks, Global Village Hawaii defines a partial week as if a whole week were completed, provided the student was present at least one day during the scheduled week in either face-to-face or IDL classes.

11.d Students who cancel/withdraw after completing the initial study program, but before or at the midpoint of any subsequent study program, GV Hawaii may retain a prorated amount of tuition and other fees up to the midpoint. Global Village Hawaii

English Only Policy

In order to give students opportunities to use English, Global Village Hawaii is an **ENGLISH ONLY school**. By using ENGLISH ONLY students will make friends from their own country as well as other countries.

1. English should be spoken at school at all times. This includes cell phones and skype. If students want to use another language, they need to exit the school and speak in the hallway or downstairs. The only exceptions are the use of the student lounge phone or talking with staff members.
2. Students get ONE warning —this is a **yellow card**.
3. Anyone can fill out a yellow card—a teacher, another student, or a staff member.
4. The yellow card with the student’s name will be given to the Director of Academics.
5. Students will be counseled by the Director of Academics after receiving a second yellow card in a month.
6. If a student gets a third yellow card in a month, s/he will be dismissed from school for that day. They will be given a **red card** as a notice that they should leave school. The student will be counted **absent**.
7. If the student collects **THREE** red cards in a month, s/he will be asked to leave the school for the entire month.
8. All absences due to red cards will affect the student’s overall attendance record and poor attendance may result in termination from the program. This may cause student visa problems with U.S. Immigration. **Please see the Attendance Policy for more information**
9. Students, who show outstanding support for the English Only Policy by encouraging others to speak English or by speaking exclusively English outside of school will be given a **green card**. This card can be given by any member of faculty or staff. An Academic Staff or Faculty member will congratulate the student during class time in recognition of supporting the policy.

Global Village Hawaii would like all students to enjoy their studies and get the most out of them. The ENGLISH ONLY policy is to help students take their studies seriously. Students need to be respectful to each other and use English at all times while in school.
